## CITY ENVIRONMENT AND NATURAL RESOURCES OFFICE

12 January, 2026

**MR. CELEDONIO B. BALDERAS JR.**

Schools Division Superintendent  
City Schools Division of the City of Tayabas

Dear Superintendent Balderas:

Warm greetings and a meaningful celebration of World Wildlife Day.

**World Wildlife Day 2026** will be celebrated on 3 March 2026 under the theme “**Medicinal and Aromatic Plants: Conserving Health, Heritage, and Livelihoods**” with the hashtag **#WWD2026**. This global observance emphasizes the critical role of medicinal and aromatic plants (MAPs) in sustaining human health, preserving cultural heritage, and supporting local livelihoods. These plants also contribute significantly to ecosystem stability by enhancing biodiversity, stabilizing soils, and providing vital resources for pollinators such as bees and birds. However, increasing threats from habitat loss, overharvesting, and illegal trade underscore the urgent need for strengthened conservation efforts.

In line with this celebration, the City Environment and Natural Resources Office (CENRO) of Tayabas City will be organizing the **3rd Tayabas Biodiversity Quiz Con on 6 March 2026** at Casa Comunidad, Barangay San Roque Zone II, Tayabas City. The activity aims to promote environmental awareness, biodiversity conservation, and youth engagement among secondary school students in the city.

Attached herewith are the tentative program flow and list of schools to be participate in the said activity. If you have any questions or need clarification, please feel free to contact Ms. Angelica Q. Olar at 0916-244-1031/ (042) 797-4171.

We are excited to partner with you in this endeavor and look forward to seeing you at the 3rd Tayabas Biodiversity Quiz Con. Let's work together to make a difference in promoting environmental protection and conservation.

Yours in conservation,

**MELVIN C. RADA**

City ENRO
