**DE LA SALLE UNIVERSITY ANNUAL RESEARCH CONGRESS FOR HIGH SCHOOL
AND ELEMENTARY TEACHERS, RESEARCHERS, AND SCHOLARS**

The De La Salle University (DLSU) Integrated School will conduct its Annual Research Congress for High School and Elementary Teachers, Researchers, and Scholars (ARCHERS), with the theme, Teachers as Change Agents: Advancing Basic Education through Sustainable Research in an Artificial Intelligent (AI)-Driven Society at the Enrique K. Razon Jr. Hall, De La Salle University, Laguna Campus, in a hybrid setup, on April 10–11, 2025.

The DLSU ARCHERS aims to foster collaboration among educators, researchers, and experts to address critical educational challenges in today's AI-driven environment.

The two-day event will provide participants with invaluable opportunities to share and develop professional skills through exposure to various research works and collaborate with experts in the field. Additionally, selected research works will be published in the *Sinaya Journal's* special issue on basic education, amplifying research-based solutions relevant to our education sector.

Participation of learners and teachers from public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 009, s. 2024, titled Implementing Guidelines on the School Calendar and Activities for the School Year 2024–2025 and DO 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017.
