Control No. _____

Dear Superintendent,

Greetings of Sustainable Environment!

The City Environment and Natural Resources Office of Tayabas is committed to promoting a sustainable environment and mitigates the effects of climate change. Aligned to the *Sustainable Development Goals No. 11- "Make cities and human settlements inclusive, safe, resilient and sustainable."* This aims to provide universal access to safe, inclusive and accessible, green and public spaces, in particular for women and children, older persons and persons with disabilities.

In lieu with this, the City ENRO Tayabas will be conducting **Urban Tree Inventory and Geotagging** within the premises of the public schools of Tayabas City. The data that will be collected and assessed data are coordinate systems, and measurements of the trees. The duration of the data gathering will be from **February to December 2025**. This activity aims to identify and assess the current status of the existing public parks and green spaces within the urban areas of Tayabas City. This data will also help us determine the health and condition of the trees in order to develop proper maintenance and conservation strategies.

If you have any questions or need clarification, please feel free to contact Ms. Angelica Q. Olar at 0916-244-1031/ (042) 797-4171.

Together, let us make a difference in promoting environmental protection and conservation.

Yours in conservation,

MELVIN C. RADA
City ENRO
