Dr. CELEDONIO B. BALDERAS, JR.
Schools Division Superintendent
DepEd – Schools Division of Tayabas City
Tayabas City, Quezon

Dear Dr. Balderas,

Greetings!

CBS China Bank Savings has long been a steadfast partner of the Department of Education in supporting various programs aimed at strengthening the education sector and serving the community. Over the years, CBS has actively participated in Brigada Eskwela, National Teachers' Day, and other DepEd-led activities that promote school improvement, teacher appreciation, and community engagement.

Within the Schools Division of Tayabas City, CBS has likewise extended its support as a Brigada Eskwela donor to various schools by providing resources and volunteer assistance to help ensure clean, safe, and conducive learning environments. These initiatives reflect our continued commitment to supporting public education and strengthening our partnership with teaching personnel and school administrators.

As part of our ongoing engagement initiatives, our Marketing Team intends to visit schools under your division to conduct brief field marketing activities related to our products and services. These activities will be carried out strictly during teachers' break times or periods when they are free from class duties.

We fully recognize and respect all school policies and protocols. However, several schools within your jurisdiction require an endorsement letter from your office before granting access. In this regard, we respectfully request an endorsement from your good office to allow CBS representatives to conduct brief field marketing activities during teacher's break times or free periods.

Rest assured that our activities will not disrupt classes or interfere with school operations. Our team will strictly adhere to all school policies and protocols and will coordinate closely with the respective school heads to ensure the smooth and orderly conduct of our visits.

We believe that your favorable consideration will further strengthen our partnership and enable us to continue supporting the goals and objectives of DepEd – Division of Tayabas City. Through our services, we aim to provide DepEd personnel with affordable, convenient, and hassle-free banking experience, in line with our advocacy for financial inclusion and the promotion of quality public education. We remain committed to serving our clients with transparency, professionalism, and integrity at all times.

We would appreciate your response by replying to this email at batveran.cbs@chinabank.ph or by contacting me at 0906 349 2748. Thank you for your continued support and partnership, and we look forward to your favorable response.

Yours sincerely,
