SDO Tayabas City
Barangay Poto, Tayabas City

Dear **Mr. Balderas:**

Greetings!

The Department of Trade and Industry (DTI)-Quezon has spearheaded the **Building and Encouraging Youth Entrepreneurship through E-commerce, Innovation and Development (BEYOND)** initiative in the province. Aligned with the DTI's **Youth Entrepreneurship Program (YEP)**, BEYOND has addressed vital topics since 2021. Last year, this initiative successfully concluded with accomplishments, showcasing its impact on the local youth community.

DTI-Quezon recognizes the need to encourage more young entrepreneurs to digitalize their operations and bring their businesses online. Following the success of the webinar series, DTI-Quezon suggested continuing the YEP & BEYOND initiative in April 2025. Each session is designed as a half-day program to capacitate young entrepreneurs with the skills needed to generate innovative ideas and create prototypes for new products and services.

In view of this, **we would like to extend our invitation to you and your students to join our upcoming webinars** covering the following topics:

- **Turn Your Passion into a Profitable and Innovative Business** **April 16, 2025**
- **Accounting Essentials for Young Entrepreneurs** **April 23, 2025**
- **Practical E-Commerce Trends and Strategies for Success** **April 30, 2025**
