Dear Sir/Ma'am,

Greetings from Rex Education Foundation, Inc. (REFI)!

In support of the **Department of Education's Brigada Eskwela 2026** and its continuing efforts to strengthen learning recovery, literacy development, and learner readiness, we are pleased to invite your school, together with your teaching and non-teaching personnel, to participate in our nationwide initiative, **Brigadang Edukampyon 2026, with the theme:**

"Isang Brigadang Tapat, Milyong Pangarap ang Aangat."

Brigadang Edukampyon 2026 serves as the official Brigada Eskwela initiative of Rex Education Foundation, Inc., aimed at mobilizing education support efforts for underserved and underresourced public schools and communities across the country. Through this initiative, selected schools may receive support in the form of books, supplementary learning materials, and literacy-focused engagement activities intended to help foster learner-ready and literacy-enabling environments.

As part of the Brigadang Edukampyon 2026 initiative, REFI will also conduct a series of Capacity Building Sessions in webinar format from June 2 to 5, 2026, in support of the Department of Education's INSET and continuing professional development initiatives for teachers, school administrators, and non-teaching personnel.

In line with this, REFI warmly invites your school administrators, teaching personnel, and non-teaching personnel to participate in the Brigadang Edukampyon 2026 - FREE Capacity Building Sessions to be conducted via Zoom from June 2 to 5, 2026.

Beyond professional learning, participants will also gain the opportunity to connect with fellow education stakeholders and learn more about REFI's literacy and educational support initiatives, including possible partnership and support opportunities for schools and communities.

Slots are limited to a maximum of 500 participants per session on a first come, first served basis. Participants are highly encouraged to register early to secure their slots. Participation in these sessions will earn priority consideration for upcoming REFI learning sessions and professional development activities with Continuing Professional Development (CPD) units.

Interested participants may register through this link: <https://forms.gle/S8rNtXYzNnCEkWtk8>
