Subject: Notice of Dental Mission Outreach at Philippine Valor Mission School Inc.

Dear Sir,

Greetings!

We respectfully inform your good office that Philippine Valor Mission School Inc. will host the Valor Dental Outreach, a humanitarian dental mission conducted in partnership with VCSI-Valor Dental Outreach Team, from October 11 through October 18, 2026, at our school located at Philippine Valor Mission School Inc., Sitio 6, Barangay Tongko, Tayabas City 4327, Quezon Province Philippines

The outreach team will be composed of volunteer dental professionals who will provide free dental services and oral health education to our school community. The primary beneficiaries of this outreach program will be approximately 170 enrolled students of Philippine Valor Mission School Inc., together with our teaching and non-teaching staff. Many of our students come from families with limited access to regular dental care, making this mission a valuable opportunity to improve their oral health and overall well-being.

We also wish to confirm that this Dental Mission Clinic is being conducted through the official partnership between Philippine Valor Mission School Inc. and VCSI-Valor Dental Outreach Team. Together, our organizations are committed to providing free dental services and compassionate community outreach for the benefit of our students and staff.

Philippine Valor Mission School Inc. will provide the venue, coordinate all necessary local arrangements, and work closely with the visiting dental mission team throughout the mission period to ensure the safe, orderly, and successful implementation of this outreach activity.

Through this letter, we respectfully notify the Department of Education of this activity and seek your acknowledgment and support for this worthwhile initiative, which promotes the health and well-being of our learners and school personnel.

Should your office require any additional information or supporting documents, please feel free to contact us through the contact details provided above.

Thank you very much for your continued support of programs that enhance the welfare of our learners. We look forward to your favorable acknowledgment of this activity.

Respectfully yours,

Msry. Jeong Hee Rye
