**RE: End Violence Against Women Campaign**

The 18-day campaign to end violence against women (VAW) is observed annually from November 25- December 12 to raise awareness among all stakeholders that VAW is a public issue of national concern. This endeavor is our country's support in the worldwide campaign to eliminate VAW, a campaign the Philippines has supported since 2002. This is consistent with our government's goal to protect the human rights of women and its commitment to address all forms of gender-based violence.

To manifest support for the mentioned endeavor from our end, this office is requiring you to wear orange-colored shirts or clothing on **November 25, 2024** and **December 12, 2024**.

For your compliance.
