CELEDONIO B. BALDERAS JR.
Schools Division Superintendent
Schools Division Office – Tayabas City

Dear Sir Celedonio:

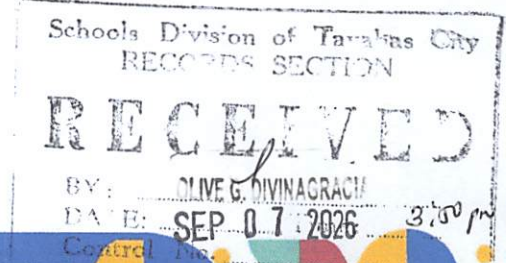

Warm greetings from UP Oroquieta!

The UP Oroquieta is a duly recognized varsitarian organization at the University of the Philippines Los Baños (UPLB). Initially established to strengthen the connection between UPLB and Lucena City, our organization has since grown to become UPLB's official varsitarian organization for the entire Province of Quezon.

In line with our mission of making college entrance test (CET) preparation more accessible and affordable for students across Quezon Province, we are once again holding our annual **College Entrance Exam Review (CEER)** on **October 17, 2026 (Saturday)**. Over the years, CEER has become one of our flagship extension programs, successfully serving more than **1,000 participants** from **52 schools across Luzon** through our previous face-to-face review sessions.

The event will consist of a one-day program, beginning with a mock examination in the morning, followed by lecture sessions in the afternoon facilitated by UP professors, alumni, and student volunteers. **CEER is open to all Grade 11 and Grade 12 students**, as well as **Grade 10 students** from schools without Senior High School. The review will cover the core subjects commonly included in college entrance examinations: **Science, Mathematics, Language Proficiency, Reading Comprehension, and Abstract Reasoning.**

This year, we are expecting at least **500 participants** for CEER 2026. In this regard, we would like to **request the approval of the Department of Education Schools Division Office of Tayabas City** for the endorsement of our event. This event is beneficial to the students in the province, as it provides them with a valuable opportunity to improve their preparation for the upcoming college entrance examinations.
