CAREER EDUCATION FORUMS OF THE TEACHER EDUCATION COUNCIL

The Teacher Education Council (TEC), through its Student Incentives and Support Office, will conduct a series of Career Education Forums for senior high school (SHS) learners and educators under its Teacher Education Career Guidance Program. The online forums will be conducted for selected participants from Luzon, Visayas, and Mindanao in October 2026.

The Career Education Forum is a career guidance initiative that aims to help SHS learners explore various career pathways and consider teaching as a meaningful and rewarding profession. The activity supports the TEC's mandate to promote the teaching profession and strengthen teacher education.

The Forum will feature career talks, interactive discussions, and opportunities for participants to engage with resource persons regarding their educational journeys, professional experiences, required competencies, career opportunities, and contributions to society. Specifically, the activity aims to

- a. provide learners with opportunities to interact with professionals and gain first-hand perspectives on different career pathways;
- b. highlight the role of teachers and teacher education in developing the knowledge, skills, values, and competencies required across different professions; and
- c. generate initial data on SHS learners' preferred career fields that may inform future teacher education, career education, and teacher support initiatives.

Interested SHS learners may register through the following link before the scheduled forum dates: <https://tinyurl.com/CEFOOnlineReg>.

Further details on the target regions and school division offices, as well as other announcements and updates regarding the activity, will be posted on the TEC's official Facebook Page.

Participation of schools shall be purely voluntary and will not hamper instructional time, in compliance with the provisions of DepEd Order (DO) No. 009, s. 2026, titled Guidelines on the Implementation of the Three-Term School Calendar in Basic Education and Activities, and DO 9, s. 2005, titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith, and the policy on off-campus activities stated in DO 66, s. 2017.

This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546, also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law).
