Meeting ID: 872 9558 8649

Passcode: 199479

This orientation serves as an important step in aligning our collective efforts to deliver meaningful and secure learning experiences to ALS learners through ICT4ALS. The session will cover:

- An overview of essential tools and processes for effective monitoring and evaluation (M&E)
- Best practices for accurate and responsible data collection
- How M&E findings will be used to enhance program quality and learner outcomes
- Timeline for the M&E

The presence of the ICT4ALS Ambassadors in this call will help strengthen our collaboration and ensure that we work together efficiently towards our shared mission of empowering ALS learners nationwide.

For any questions or clarifications, feel free to reach out to us at ruth@habieducationlab.org.

We look forward to your continued partnership as we work together to bring meaningful and secure learning experiences to ALS learners through ICT4ALS.
