**RESEARCH FAIR 2027 OF THE UNIVERSITY OF THE PHILIPPINES ACADEMIC LEAGUE
OF CHEMICAL ENGINEERING STUDENTS INC.**

The University of the Philippines Academic League of Chemical Engineering Students Inc. (UP ALCHEMES), a duly registered academic organization from the UP Diliman College of Engineering, will host the Research Fair 2027, themed **BALARAW: Wielding Scientific Sagacity in the Hands of Youth**, to be held at UP Diliman, Quezon City on January 15–16, 2027.

Research Fair 2027 is a two-day national science and research event for high school learners. The activity aims to promote scientific innovation, critical thinking, and excellence through its three major components: the Research Competition, National Science Conquest, and Youth Science Convention.

Now in its 26th year, Research Fair continues its mission to develop innovative young minds and maximize their potential in the pursuit of scientific innovation and excellence among Filipino youth.

Interested participants may access the registration link and the Research Fair 2027 Handbook via the official Facebook page: facebook.com/upalchemesresearchfair.

Participation of schools shall be purely voluntary and will not hamper instructional time, in compliance with the provisions of DepEd Order (DO) No. 009, s. 2026, titled Guidelines on the Implementation of the Three-Term School Calendar in Basic Education and Activities, and DO 9, s. 2005, titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith, and the policy on off-campus activities stated in DO 66, s. 2017.

This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546, also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law).
