**RE: Implementation of School-Based Immunization (MR-Td and HPV) and Request for Master List and Target for SY 2025–2026**

Dear **Sir Balderas Jr.:**

*Greetings from the Provincial Health Office!*

In reference to DOH Department Memorandum No. 2025-0318 "Revised Guidelines on the Implementation of School-Based Immunization (SBI)" <https://tinyurl.com/SBIdeptMemo2025-0318>, we would like to inform your office that the SBI program will start on 18 August 2025 in all public schools across Quezon Province. The campaign will include provision of Measles Rubella - Tetanus Diphtheria (MR-Td) vaccine for Grade 1 and Grade 7 learners and Human Papilloma Virus (HPV) vaccine for Grade 4 female learners.

To aid planning and implementation, we respectfully request your assistance in providing the (1) Master list of enrolled learners from Grade 1, Grade 7, and Grade 4 female and (2) Actual enrollment data for SY 2025–2026.

We also recommend the conduct of a Parents'/Guardians' Assembly or Orientation before the immunization. This will help provide correct information, address concerns, and secure signed parental consent on-site.

Your continued support is key to ensuring a successful and safe immunization rollout for our learners. Should you have further queries or clarifications, you may contact **Cherryl E. Alcantara, RN** at **0917-704-2525** or via email at [gpho.familyhealth@gmail.com](mailto:gpho.familyhealth@gmail.com).

Thank you for your continued partnership and support.

Sincerely,

**KRISTIN MAE-JEAN M. VILLASEÑOR, RMT, MD, MPM**  
Provincial Health Officer II
