Re: **Learner Safety & Formation Summit 2026**
October 24-25, 31, 2026 Zoom Conferencing System (Purely Online)

Theme: Strengthening Learner Formation in Schools

PEPD, Inc., a SEC-registered professional development organization and an accredited Continuing Professional Development (CPD) Provider for Professional Teachers, respectfully requests the issuance of a DepEd Advisory for our upcoming Learner Safety & Formation Summit 2026, which will be conducted online via Zoom.

Guided by the principle that "it takes a village to raise a child," the summit recognizes that promoting learner safety and formation requires the shared expertise and responsibility of different professionals. It will bring together practitioners from the fields of education, psychology, law, social work, and information and communications technology to help educators better understand and respond to emerging concerns affecting learners.

The summit will feature sessions on the teacher's role in loco parentis, bullying, Online Sexual Abuse or Exploitation of Children (OSAEC), Nihilistic Violent Extremism (NVE), and emerging cybersecurity concerns. Through these sessions, participants will gain practical knowledge that can help them recognize risks, respond appropriately to learner concerns, and contribute to safer, more supportive, and values-oriented learning environments.

The activity is intended for learners formation office, teachers, school principals, guidance associate, and other education professionals from public and private schools nationwide. Participation shall be voluntary, and the conduct of the activity shall not disrupt classes or official school activities.

In this regard, we respectfully seek the issuance of a DepEd Advisory to disseminate information about the summit to interested educators and schools nationwide.

For questions and clarifications regarding the conference, you may contact me through my mobile number 09989925601 and our email address at phedpd.inc@gmail.com. Thank you.

Sincerely yours,

Mr. Jeffrey M. Mayor, LPT, MBA, CLDP®
