Schools Division Superintendent

SDO Tayabas City

Brgy. PotoI, Tayabas City

Dear **Dr. Balderas**:

Greetings!

Since 2018, Creotec Philippines Inc. has been at the forefront of promoting robotics education through its annual competitions—an initiative that has continuously elevated the skills and aspirations of young learners across the country, producing innovators who have proudly represented the Philippines in the World MakeX Robotics Competitions.

This 2025, we are proud to launch the Philippine Robotics Cup, a bigger and more dynamic platform that expands its scope with exciting categories including Line Tracing, Sumobot, Mission-Based RoboVenture, On-the-Spot Assembly & Coding, and the 2nd Drone Soccer Competition. The highlight of this event will be the national selection for the World MakeX Starter and Explorer teams—where the winning students and their coach will receive an all-expense-paid trip to China to compete in the World MakeX Robotics Competition.

**Competition Date: October 29, 2025**

**Venue: Vista Mall – Las Piñas City**

As one of the country's leading institutions championing STEM, it is our honor to invite the schools in your division to participate in this prestigious event. Your support will help us empower more students to explore and master essential skills in Robotics, Artificial Intelligence, IoT, and Academic Drones—innovative technologies that are shaping the future of education and industry.

Interested coaches, students, and school representatives may register here for the orientation: <https://tinyurl.com/4x3ynt4>

Key Dates: Registration Opens: **August 22, 2025**

Coaches' Orientation (Competition rules, mechanics, and awards):

**September 26, 2025**

Attached in this letter is the advisory from DepEd Central Office.

We believe this event is more than just a competition—it is a movement to equip learners with creativity, problem-solving, and design skills for global competitiveness. Your participation will not only showcase your students' talents but also inspire them to seize this opportunity for growth, recognition, and international exposure.

**PHILIPPINE ROBOTICS CUP OF CREOTEC PHILIPPINES INC.**

Creotec Philippines Inc., which has been actively promoting robotics education through its annual competitions since 2018, will launch the Philippine Robotics Cup on October 23, 2025, tentatively at SM South Mall in Las Piñas City.

The event will feature competitions in Line Tracing, Sumobot, Mission-Based Roboventure, On-the-Spot Assembly & Coding, and the 2nd Drone Soccer Competition. The highlight will be the national selection of teams that will represent the Philippines in the World MakeX Robotics Competition.

For the first time, the competition will include an open platform category, enabling participants to use any robot kit brand. All missions are aligned with the United Nations Sustainable Development Goal No. 12-Responsible Production and Consumption, encouraging learners to integrate technical expertise with awareness of global challenges.

To prepare schools and mentors, orientation sessions for robotics coaches will be conducted on the following dates:

- August 30, 2025
- September 5, 2025
- September 19, 2025

Interested coaches, students, and school representatives may register through this link:  
<https://tinyurl.com/4x3ynt4>.

Participation of public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 012, s. 2025, titled Multi-Year Implementing Guidelines on the School Calendar and Activities and DO 9, s. 2005, titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017.

This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law), issued in DO 19, s. 2008, and reiterated in DepEd Memorandum No. 041, s. 2024.
