NATIONAL
CHILDREN'S
MONTH
NOVEMBER

TAYABAS LOCAL COUNCIL FOR THE PROTECTION OF CHILDREN

Introduction

Every November, the nation celebrates National Children's Month (NCM) to commemorate the Philippines' adoption of the United Nations Convention on the Rights of the Child (UNCRC). More than a commemoration, this annual observance serves as a reminder of the shared responsibility of the government, families, communities, and other stakeholders to protect, promote, and uphold the rights of every Filipino child.

Pursuant to Republic Act No. 10661, or the National Children's Month Act, the celebration recognizes the vital role of children in nation-building and reinforces the collective responsibility of all sectors to safeguard their rights and well-being. The Council for the Welfare of Children (CWC), National Youth Commission (NYC), and Department of Social Welfare and Development (DSWD), in collaboration with other government agencies, local government units (LGUs), educational institutions, civil society organizations, and other stakeholders, promote activities that advance children's rights and welfare.

For the **34th National Children's Month in 2026**, the celebration carries the theme: **"MANINDIGAN! TUMUGON AT KUMALINGA: SA BATANG HANDA, MAS LIGTAS ANG BANSA."** This year's theme highlights the importance of Child Protection in Emergencies (CPiE), emphasizing the need to ensure that children are prepared, protected, and supported before, during, and after disasters, calamities, armed conflicts, and other emergency situations.

The theme underscores the importance of building resilient communities where children's rights, safety, and welfare remain a priority, even in times of crisis. It calls for stronger preparedness measures, responsive child protection systems, effective coordination among duty-bearers, and meaningful child participation in emergency preparedness and response. Through collective action, every child must be given the opportunity to grow in a safe, nurturing, and protective environment, regardless of the challenges and emergencies that may arise.

In alignment with the national celebration, the City Government of Tayabas, through the Tayabas Local Council for the Protection of Children (LCPC), reaffirms its commitment to

Tayabas City Commitment

the observance of the 34th National Children's Month. Guided by the national theme and the city's continuing commitment to child protection, the LCPC will spearhead a series of advocacy, educational, and community-based activities throughout November to promote children's rights, safety, preparedness, and resilience.

Each member of the Tayabas LCPC, representing various local government offices, schools, barangays, civil society organizations, and child-focused institutions, shall work collaboratively to ensure the successful implementation of the celebration. This collective effort aims to:

- Strengthen public awareness of Child Protection in Emergencies and the importance of safeguarding children before, during, and after disasters and other crisis situations;

TAYABAS LOCAL COUNCIL FOR THE PROTECTION OF CHILDREN

- Promote emergency preparedness, disaster risk reduction, and age-appropriate safety awareness among children, parents, caregivers, and communities;
- Strengthen family and community support systems to ensure that children receive appropriate care, protection, and assistance during emergencies;
- Enhance the capacity of local frontliners, barangay officials, schools, and child protection duty-bearers to prevent and respond to child protection concerns during emergencies through effective coordination, referral, and case management mechanisms;
- Ensure the continuity of essential services for children, including protection, psychosocial support, education, health, and other basic needs during and after emergencies; and
- Provide meaningful, safe, and age-appropriate opportunities for children to express their views, participate in preparedness initiatives, and contribute to decisions affecting their safety and well-being.

Guiding Principles

The City of Tayabas upholds the following principles in implementing the 34th National Children's Month celebration:

1. Child Rights-Based Approach. Recognizing every child as a rights-holder and ensuring that all programs and interventions uphold their rights to survival, development, protection, and participation, including during emergencies.

2. Best Interest of the Child. Ensuring that children's safety, welfare, dignity, and developmental needs remain the primary considerations in all decisions, activities, and emergency response interventions affecting them.

3. Meaningful and Safe Child Participation. Providing children with safe, inclusive, and age-appropriate opportunities to express their views, share their experiences, and participate in preparedness and protection initiatives.

4. Child Protection in Emergencies. Promoting preventive and responsive measures to protect children from abuse, neglect, exploitation, violence, separation from their families, and other risks that may arise before, during, and after emergencies.

5. Preparedness, Resilience, and Community Responsibility. Encouraging families, schools, barangays, and communities to develop and strengthen preparedness measures, safety plans, and child-sensitive emergency response mechanisms.

6. Strengthening Child Protection Mechanisms. Reinforcing coordination among the LCPC, Barangay Councils for the Protection of Children (BCPCs), schools, social welfare offices, disaster risk reduction and management offices, and community-based organizations to ensure timely, coordinated, and child-sensitive protection and assistance during emergencies.

TAYABAS LOCAL COUNCIL FOR THE PROTECTION OF CHILDREN

7. Inclusion and Non-Discrimination. Ensuring that all children, particularly those in vulnerable situations, including children with disabilities and those affected by disasters or other crises, have equitable access to protection, assistance, and essential services.

Through the collective efforts of all LCPC members and community stakeholders, the City Government of Tayabas reaffirms its unwavering commitment to upholding children's rights, strengthening emergency preparedness, and ensuring that every child is protected, supported, and given the opportunity to recover and thrive in times of crisis.

Together, the people of Tayabas will make the 34th National Children's Month more than a month-long celebration. It shall serve as a continuing call for collective action to build safer, more prepared, and more resilient communities where every child is heard, cared for, and protected.

Panatang Makabata

Ako, si (banggitin ang pangalan), bilang mamamayang Filipino, ay kinikilala ang kahalagahan ng mga bata sa lipunan.

Dahil dito, ako ay nangangakong isulong, protektahan, igalang, at pangalagaan ang karapatan ng bawat bata sa lahat ng panahon, anuman man ang kaniyang kulay, kasarian, lahi, relihiyon, kultura, estado sa buhay, may kapansanan man o wala.

Upang matiyak ang kasiyahan ng mga bata, naniniwala akong nararapat na matamasa nila ang mga ito:

- Maisilang at mabigyan ng sapat na pangangailangan upang mabuhay ng maayos;
- Lumago ang kaalaman, kakayahan at talento;
- Maproteksyunan sa anumang uri ng pang-aabuso, panganib, at karahasan;
- Makalahok sa mga gawain patungkol sa mga bata; at
- Maipagtatanggol at matutulungan ng pamahalaan anumang oras.

Sa tulong ng Poong Maykapal, ang lahat ng ito ay aking isasapuso at isasagawa dahil ang mga bata ang pag-asa at siyang magpapaunlad sa ating bayan.
