Dear Sir Balderas,

Greetings from the NSA Cadet Program!

The NSA Cadet Program is under the Norwegian Maritime Foundation of the Philippines, Inc. which facilitates maritime scholarship for aspiring Filipino seafarers. It offers BS Marine Transportation and BS Marine Engineering courses.

We are getting in touch again to your School's Division Office with the intention to offer the said scholarship to your qualified Grade 12 students or SHS graduates. We seek your assistance in disseminating this scholarship opportunity, especially among your SHS public schools.

Also, we would like to highlight that there will be an NSA Written Examination in Batangas, this November 30, 2025 for Region IV - A & B qualified students, where they need not to travel to Manila anymore just to take the examinations.

Students must apply online for them to be invited via <https://nsacadet.com/> and may input "your SDO name" as source of information.

Feel free to share our official announcement on the opening of NSA Cadet Program SY 2025 online applications, especially among your SHS public schools. You will find the whole post in this link: <https://www.facebook.com/NSACadetProgram>

Thank you very much for your positive support to the Program!

Dear Sir Balderas:

Greetings!

The **Norwegian Shipowners Association (NSA) Cadet Program**, as part of the Norwegian Maritime Foundation of the Philippines Inc. (NMFPI), aims to develop Filipino maritime professionals through scholarships and top-tier maritime education. Since its launch in 1993, the program has produced over 6,000 merchant marine officers compliant with STCW standards, who now serve on international vessels.

We partner with esteemed maritime institutions such as the DMMA College of Southern Philippines, Lyceum University of the Philippines – Batangas, and the University of Cebu-Lapu Lapu and Mandaue. The program's structure involves 2 years of schooling, 1 year at sea as a cadet, and a final year back at school to complete academic requirements.

The scholarship benefits include:

- Education at a prestigious maritime institution
- Free dormitory, board, and lodging for the first two years
- Apprenticeship Training
- Free training and upgrading courses
- Leadership and character development programs
- Opportunities to travel worldwide during apprenticeship

We respectfully request your endorsement of our scholarship offer among your schools under your SDO leadership, to all existing Grade 12 students or qualified alumni. We can send campaign materials to your office, if needed. We offer Bachelor of Science degrees in Marine Transportation and Marine Engineering, leading to careers as Ship Captains and Chief Engineers.

Interested applicants are welcome to apply online at <https://nsacadet.com/> beginning July 15, 2025.
