The Young Men's Christian Association (YMCA) of Manila Inc. will hold the 12th YMCA National Club Advisers' Seminar-Workshop and Junior Leaders Campference at the Senior Mess, Teachers Camp, Baguio City, on December 19–21, 2025.

The Campference specifically aims to

1. foster awareness of different positive adaptive coping strategies, their specific examples, and some of the best practices on how to apply them in real-world use cases;
2. provide psychological safety or a safe space for the participants through effective engagement in a meaningful dialogue and sharing of thoughts and experiences with the group without the fear of judgment and unhealthy criticism;
3. encourage participants to make a conscious effort in managing their personal and interpersonal issues and therefore sustain their emotional wellbeing and psychological development; and
4. build and nourish a community of support within the participants' social network, including but not limited to their immediate families and close circle of friends.
