RESOLUTION NO. 4-D

Series of 2023

January 15, 2023

WHEREAS, Section 15 Article II of the 1987 Constitution states that the State shall protect and promote the right to health of the people and instill health consciousness among them;

WHEREAS, Section 2 (c) of Executive Order No. 168 (s.2014) mandates the Inter-Agency Task Force for the Management of Emerging Infectious Diseases (IATF) to prevent and/or minimize the local spread of emerging infectious diseases (EID) in the country through the establishment or reinforcement of a system in screening possible patients infected with EID, contact tracing, identification of the mode of exposure to the virus, and implementation of effective quarantine and proper isolation procedures;

WHEREAS, the IATF approved the shift in the policy of classifying Provinces, Highly Urbanized Cities (HUCs), and Independent Component Cities (ICCs) for purposes of community quarantine and adopted the Alert Level System for identified pilot areas of implementation and piloted the implementation thereof in the National Capital Region (NCR) on 08 September 2021, and has since expanded to other regions;

WHEREAS, the President issued Executive Order No. 151 (s.2021) on 11 November 2021, approving the nationwide implementation of the Alert Level System for COVID-19 Response;

WHEREAS, the IATF, through IATF Resolution No. 165 dated 24 March 2022, has adopted the policy of including component cities and municipalities in the Alert Level System for purposes of alert level classification;

WHEREAS, on 28 October 2022, the Executive Secretary issued a Memorandum delegating to the IATF the approval of the Alert Level System Classifications of local government units, including Provinces, HUCs, and ICCs.
