Dear Ma'am and Sir!

Happy International Day of Forests!

"Forests and Economies" is the theme of the **2026 International Day of Forests**, highlighting the vital role of forests in driving economic prosperity. Beyond providing income, employment, and renewable raw materials, forests support family and community agriculture, enhance agricultural productivity, and protect healthy watersheds.

In line with this global celebration, the Tayabas City Environment and Natural Resources Office (ENRO) will be conducting its **2nd Youth for Environment Activity**, which includes a **Nature Walk and Tree Planting**, on **21 March 2026** at the Mt. Banahaw De Tayaba- Brgy. Lalo, Tayabas City.

In this regard, we respectfully invite and request your assistance and participation in this activity. Our target participants are members of the Youth for Environment School Organization, and we are **expecting approximately sixty (60) participants** from your institution.

Together, let us make a difference in promoting environmental protection and conservation.

Yours in conservation,

MELVIN C. RADA
City ENRO
