1. According to the directive of PAG-IBIG Fund, the increase in Members' Savings will push through by next year (2024). From the current P100.00 it will become P200.00 per month same as thru with the employer share/counterpart.
2. The proposed increase will be of big boost on the members' wish for higher savings and will surely address the Fund's intention of retaining the interest rates on its various loan programs. The Fund will be issuing an official guideline concerning this matter.
