FRANCIS CESAR B. BRINGAS
Regional Director 

2021 VIRTUAL CONFERENCE OF BASIC EDUCATION RESEARCHERS

November 23-25, 2021

1. The target participants are educational leaders and managers, teachers, school heads, education supervisors, non-teaching personnel and other research practitioners in the region.
2. The researcher should pre-identify his/her paper on the region's Enhanced Basic Education – Learning Continuity Plan (BE-LCP) key dimensions such as:
 - a. Safe Operations;
 - b. Well-Being and Protection;
 - c. Focus on Learning;
 - d. Reaching the Marginalized; and
 - e. Education Financing
3. Research studies must be completed from 2020 to 2021. In adherence to the theme, submitted researches should be aligned with the implementation of the BE-LCP. Entries that are not compliant with the required format and not relevant to the theme will not be accepted.
4. Abstract should consist of 200-250 words following the structured format:
 - a. **Purpose** – Objectives of the research
 - b. **Design/methodology /approach** – How the research was conducted, includes sampling, mode of data collection, theoretical or subject scope of the paper
 - c. **Findings** – Results of the research, analysis of data and discussion
 - d. **Research limitations/implications** – Methodology parameters that can restrict the scope of the research findings and are outside the control of the researchers
 - e. **Originality/value** – What is new in the research? What is the value of the research? Is the research holistic?
 - f. **Keywords** – listing of keywords will facilitate the search for the research study and should be italicized.
5. Researchers of pre-qualified abstracts will be notified through a regional memorandum to submit their full paper.
6. There will be two types of presentation; oral (live) and infographic video presentations. Qualified presenters shall be guided by the following mechanics:
 - a. Oral Presentation

Presentation shall last for 10 minutes with 5 minutes for open forum. Prepare a powerpoint presentation with the following format:

- Slide 1 – Title and author/s
- Slide 2 – Rationale
- Slide 3 – Key Literature
- Slide 4 – Methodology
- Slide 5-7 – Findings
- Slide 8 – Implications
- Slide 9 – Conclusions
- Slide 10 – Recommendations
- Slide 11 - References

b. Infographic Video Presentation

An infographic video is a visual representation of data and knowledge in the form of an online video. The entertaining combination of audio and visuals in the three-minute presentation should make an emotional connection, provide high-value information and improve their perspective on topic of the research.

To learn more in creating this infographic video presentation, you can refer to this link: <https://www.animaker.com/blog/video-infographics-make-10-simple-steps/>

7. The full paper to be submitted to the conference committee shall be written as a manuscript for journal publication observing APA style which has the following components: Abstract, Introduction, Methodology (including respondents/subjects of the study, sampling, data collection, data analysis ethical issues etc.), Results and Discussion, Conclusion, Recommendations and References.
8. The best paper award shall be selected on the basis of the indicators suggested in DepEd Order No. 16, s. 2017.
