1. In relation to the **Regional Memorandum No. 710 s. 2023, dated November 21, 2023 titled "Project and Grants of the Cultural Center of the Philippines CCPJ" and DM-CT-2023-363**, this office informs the field of the different projects and initiatives of the Cultural Center of the Philippines.

2. The following projects and initiatives of the Cultural Center of the Philippines aims to promote various forms of art and culture in the Philippines to enrich the nation's cultural heritage:

CCP Game Development Grant is designed to foster the development of original PC-based and mobile-based games that incorporate elements of creativity, culture, and commercial viability. Its content is derived from the CCP Encyclopedia of the Philippine Arts (EPA). Currently, there are three (3) games available from the project with two (2) more under development set to be completed by the end of 2023.

CCP Animation and Comic Grant aims to enhance the skills of Filipino animators and artist through targeted training programs and funding support. This program supports storytelling, originality, cultural relevance, and the ability to connect with diverse audiences. The projects outcomes revolve around the theme of Philippine folktales, myths and legends where two (2) comics have been completed under this grant. Two (2) more comics are currently under development, while two (2) grantees are working on their animated projects, which are set to be released early next year.

CCP Encyclopedia of Philippine Arts (EPA) Digital Edition is a vast repository of information on Philippine arts and culture which offers a subscriptions-based website that is regularly updated and features over 5,000 articles, more than 5,000 images, and hundreds of videos. This invaluable resource can significantly enhance the knowledge of educators and learners by providing insights into the richness of Philippine art, its history, traditions and transformations.
