SGOD - dissemination of implementing rules and regulations of the republic act no.11358, otherwise known as the national vision screening act
SCHSFHNR-001136/September 29, 2025

**IMPLEMENTING RULES AND REGULATIONS OF REPUBLIC ACT NO. 11358
OR THE NATIONAL VISION SCREENING ACT**

RULE 1. GENERAL PROVISIONS

SECTION 1. Short Title – These rules and regulations shall be known as the Implementing Rules and Regulations (IRR) of Republic Act No. 11358, otherwise known as the “National Vision Screening Act.”

SECTION 2. Declaration of Policy – Pursuant to Article II, Section 15 of the 1987 Philippine Constitution, it is hereby declared the policy of the State to protect and promote the right to health of the people and instill health consciousness among them. In line with this policy, the State shall endeavor to promote every Filipino’s full potential through good vision by creating ways and means to address vision problems, including blindness, among children.

Towards this end, the State shall institute a program that will help screen the school children for visual problems.

SECTION 3. Purpose – This IRR shall provide the concerned national government agencies, and other public and private institutions and organizations the guidelines for the implementation and operations of the national vision screening program to ensure that every kindergarten learner in the Philippines is given the opportunity to undergo vision screening.

SECTION 4. Definition of Terms - For the purposes of this IRR, the terms below shall be defined as follows:

- a. **Act** refers to Republic Act No. 11358 or the National Vision Screening Act.
- b. **Eye Care Practitioners** refer to board-certified eye care professionals referred by Department of Health (DOH) and Philippine Eye Research Institute (PERI) to correct and improve the condition and acuity of the learners’ vision.
- c. **IRR** refers to the Implementing Rules and Regulations of Republic Act No. 11358 or the National Vision Screening Act.
- d. **Kindergarten learner** refers to learners or pupils under the kindergarten education which is a one (1) year of preparatory education for children at least five (5) years old as a prerequisite for Grade I as provided for in Section 4 of RA No. 10533 or the Enhanced Basic Education Act of 2013.
- e. **Screeners** refer to the personnel employed or enlisted by DepEd to conduct the vision screening on kindergarten learners.

- f. **Vision screening** refers to the set of tests and procedures performed to kindergarten learners as an initial measure to detect common eye issues or their probability with the specific aim of determining the need to refer the assessed learners to eye care professionals for further evaluation.

RULE II: NATIONAL VISION SCREENING PROGRAM

SECTION 5. Establishment and Objectives of a National Vision Screening Program

– The National Vision Screening Program (NVSP) is hereby established under the Department of Education (DepEd) which is primarily intended to screen the eye vision of kindergarten learners.

The NVSP shall be aligned with existing rules and guidelines on school health of DepEd and DOH.

The NVSP shall be established to achieve the following objectives:

- a. To conduct a simple vision screening test on kindergarten learners through DepEd personnel and identify pupils with possible visual problems;
- b. To identify early childhood visual problems;
- c. To provide immediate attention to visually impaired kindergarten learners and create a referral system so that they may be checked and treated by eye care practitioners;
- d. To develop an integrated vision screening results database for all kindergarten learners; and
- e. To conduct continuing research on the state of visual impairment among kindergarten learners.

SECTION 6. Program Implementation – DepEd shall lead the implementation of the NVSP, in coordination with DOH and PERI, which is under the National Institutes of Health of the University of the Philippines (UP).

In the implementation of the NVSP, DepEd, in coordination and consultation with DOH and PERI, shall perform the following tasks:

- a. **Administration of the Vision Screening Program** - Administer an annual vision screening to all public kindergarten learners using the Vision Screening Kit which includes chart with symbols or numbers, occluders, and transparent response key. Provided, that DOH and PERI may recommend to adopt new methods of vision screening based on the latest trends and developments.

For this purpose, the vision screening described herein shall not in any way or form be considered a practice of optometry as defined and regulated by RA No. 8050 or the Revised Optometry Law of 1995.

DepEd shall issue policy guidelines to adopt one and the same standard method of test to be used nationwide to ensure uniform implementation, assessment, and analysis of the vision screening.

- b. **Training of DepEd personnel** - coordinate with PERI and DOH on the training and certification of DepEd personnel in conducting the vision screening program, consistent with the provisions of Rule IV, Section 9 of this IRR.
- c. **Referral System** - Subject to compliance with the provisions of RA No. 10173 or the "Data Privacy Act of 2012," develop a system of referral and corrective measures for kindergarten learners who are suspected or diagnosed to have possible eye ailments.

DepEd, in collaboration with DOH and PERI, may engage services of other agencies and establish linkages with eye care practitioners and create ways and means to address vision problems among kindergarten learners.

- d. **Vision Screening Database System** - Subject to compliance with the provisions RA No. 10173 or the "Data Privacy Act of 2012," create a vision screening database which shall contain the following:
 - 1. Results of the screening per child; and
 - 2. Visual conditions diagnoses by eye care practitioners per child.

Data taken from the Vision Screening Database System may be shared with PERI, DOH, or Philhealth subject to rule outlined in the Rule IV, Section 11 of this IRR.

- e. **Monitoring and Evaluation** - Monitor and evaluate the implementation of the NVSP.

DepEd shall issue policy guidelines on how to monitor and evaluate the implementation of the NVSP.

Private Schools shall be encouraged to adopt their own system of vision screening for kindergarten pupils enrolled in their respective schools, subject to standards under the NVSP.

RULE III. IMPLEMENTING AGENCIES AND ORGANIZATIONS AND THEIR ROLES AND RESPONSIBILITIES

SECTION 7. Roles of each agency - The effective implementation and delivery of quality NVSP shall be the joint responsibility of the national government agencies tasked in the Act and this IRR to carry out the program.

SECTION 7.1. Roles of DepEd - As the lead agency on the implementation of the mandates of the Act and this IRR, DepEd shall perform the following:
