Subject: **GBF TeachSTEM Certificate Scholarship Program in Educational Measurement Request for the Issuance of a Memorandum to the DepEd Regional Offices of NCR, Region 3, and Region 4-A**

Dear Director Cabauatan,

Greetings!

In line with the Memorandum of Agreement between the Gokongwei Brothers Foundation (GBF) and the Department of Education (DepEd), we respectfully seek your assistance in issuing a memorandum to the Schools Division Offices in NCR, Region III and Region IVA on the **nomination and endorsement of qualified scholars** for the **TeachSTEM Certificate Program in Educational Measurement.**

PROGRAM OVERVIEW

The **TeachSTEM Certificate Program in Educational Measurement** is a 15-unit graduate-level certificate program and scholarship initiative. It is designed to enhance the competencies of Education Program Supervisors in Science and Mathematics, as well as SDO Assessment Focals, in areas such as educational assessment, test development, data interpretation, and evidence-based practices, ultimately contributing to improved learning outcomes.

To advance this initiative, we invite the Regional Offices to nominate and endorse eligible candidates for scholarship consideration for the following areas: **NCR, REGION 3, REGION 4-A.**

Eligibility Requirements

Applicants must satisfy the following minimum qualifications:

- Be a **regular employee of the Department of Education (DepEd) with at least one (1) year of service in any of the following positions:**
  - SDO Assessment Focal
  - Education Program Supervisor for Science or Mathematics
- Meet the General Weighted Average (GWA) requirement of 2.25
- Must not have completed, nor be currently enrolled in, a master's degree or graduate certificate program in Educational Measurement, Assessment, Evaluation, or a closely related field;
- Be willing to enroll in and successfully complete the certificate program

- Commit to a return service obligation, serving as EPS or Assessment Focal for two (2) years for every year of scholarship support, as stipulated in the Scholarship Agreement; and
- Commit to developing and implementing a re-entry plan to apply the knowledge and skills gained through the program within the SDO.

Regional Office Nomination and Endorsement

In facilitating the nomination process, we respectfully request the Regional Offices to:

- Ensure that only applicants who satisfy the prescribed eligibility requirements are endorsed for scholarship consideration.
- Endorse applicants who demonstrate a strong commitment to completing the program and applying their learning to strengthen assessment and evaluation practices within their SDOs.
- Designate a Regional Office Focal Person who shall oversee the implementation of the nomination process, coordinate with the GBF, and serve as the primary liaison for the program.
- **Submit a formal endorsement memo submitted to NEAP and GBF containing the following information on or before October 12, 2026:**
    - Full Name
    - Schools Division Office
    - Position
    - No. of teachers and subjects being supervised (if applicable)
    - Email address
    - Contact number

Scholarship Benefits

Successful scholars shall receive full tuition scholarship for the duration of the certificate program, subject to the scholarship guidelines.

Scholarship Agreement

Successful applicants shall be notified by GBF and shall be required to submit additional requirements for enrollment and execute an Individual Scholarship Agreement prior to their admission to the program. The agreement shall outline the scholarship benefits, academic and program requirements, return service obligation, re-entry plan, and other terms and conditions governing the scholarship.
