CITY SOCIAL WELFARE AND DEVELOPMENT OFFICE  
CITY ANTI-DRUG ABUSE COUNCIL

November 25, 2022

**Dr. NATIVIDAD BAYUBAY, CESO VI**  
School Division Superintendent  
Division of Tayabas City

Greetings!

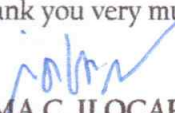

The City Anti-Drug Abuse Council (CADAC) of Tayabas and City Social Welfare and Development Office together with other concerned agencies will be conducting a meeting/lecture regarding the program “Barkada Kontra Droga”, which is the flagship program of the Dangerous Drug Board (DDB). It is also part of the National Drug Education Program (NDEP) of the board to be carried out in Tertiary and Secondary schools. The program is designed as a preventive education and information program to counter the dangers and disastrous effects of drug abuse. It will evolve into a nationwide Barkadahan concept - a collective action among the students, the youth and the people in the community. Relevant topics regarding campaign against illegal drugs will be discussed by different speakers from concerned agencies.

In relation to that, we are requesting your cooperation and assistance on this program. Since the main participants of the program are students, the council decided to coordinate the activity with your school/division. Furthermore, we are also requesting participants/students from your school/division to attend on the above-mentioned program. Foods and drinks for 100 participants will be provided during the event. Target date will be on November 28, 2022 @ 9:00 AM onwards

We hope for your positive response on this matter and of your partner on this kind of program.

Attached herewith is the program of activity for your guidelines and perusal.

Thank you very much!
