BY : MAYLANI L. GALICIA
OIC – Assistant Schools Division Superintendent

**SUBJECT : FIRST ROUND WEEKLY IRON FOLIC ACID (WIFA)
SUPPLEMENTATION FOR THE YEAR 2019 – 2020**

DATE : JUNE 24, 2019

1. The Weekly Iron Folic Acid (WIFA) Supplementation is a nationwide routine activity in all public high schools targeting Grade 7 – 10 female adolescent learners and those in Alternative Learning System (ALS). Prevention of iron deficiency anemia among female adolescent will improve the adolescent's school performance and reduce absenteeism due to ill health.
2. In connection to this, this office announces the conduct of the First Round Weekly Iron Folic Acid Supplementation from July 8, 2019 to September 8, 2019.
3. Schools are expected to be cautious on the necessary pre requisites which include parent's consent, physical and health condition of the pupils that need to be considered.
4. Immediate dissemination of this memorandum is desired.
