Please be informed that due to unavoidable circumstances brought about by the COVID-19 (Coronavirus disease 2019), also known as 2019-nCoV ARD (Acute Respiratory Disease), the recent DepEd Advisory to postpone all national, regional, division and district activities nationwide on the month of February due to the threats of nCoV and also to ensure the health and safety of everyone, we have rescheduled the Council **2020 World Thinking Day Celebration to 7 March 2020** instead of 22 February 2020.

Thank you very much and we're looking forward for full participation and support.

We call for everyone to pray for the safety and protection of our country and all Countries affected by this outbreak.
